## ALL NOTES.

A storm, one of Foster's, probably, seems scheduled.

There is not now a single quartz mill running on the Carson river.

The attorneys in the Breckinridge-Pollard trial had a scrap yesterday. No arrests.

Ex-Senator George S. Sawyer, of Pioche, is in Carson. He says they are all Populists out his way.

A little boy aged 12 years was cut in two by a freight train in the suburbs of San Francisco Monday morning.

It is estimated that there are now from 20,000 to 25,000 strangers in San Francisco, whose sole mission to that city is to visit the Midwinter Fair.

A woman five feet in height should weigh about 150 pounds; 5 feet 1 inch about 100; 5 feet 2 inches, 113; 5 3 inches, 119; 5 feet 4 inches, 130 pounds.

Henry Wood is running Johnny Meyer's saloon during the latter's absence. While not as handsome a man as Meyer, he can draw a good glass of beer.

Manager Piper has secured several attractions for the Nevada circuit among which are A Railroad Ticket, the Elsie Elsler company, and the "Spider and Fly."

Parents who want their children to learn to dance should bring them to the Armory Hall on Saturday afternoons where Miss May Bryant will instruct them.

Cagwin & Noteware have received a new lot of choice literature, uniquely and tastefully bound; also a number of portfolios of the famous paintings of the World.

Postal notes will not be issued any more; but all notes in circulation at present are good, and will be recognized by the government as long as they bear the postmaster's signature.

The APPEAL is in receipt of a call from the Horace Greely Statue Committee of New York City, requesting that 250 men who took H. G's advice to "Go West," put up \$10 each to assist in erecting a statue of Horace. Subscriptions can be left at this office.

Hon. Thomas Wren in a letter to the Reno State Journal places Governor Colecord on the horns of the dilemma of being grossly ignorant of the legislative history of the country during the last twenty years, or of a gross attempt to deceive the Republicans of Reno and Carson in playing his part in the late low comedy performance of the ten comedians of the Reno opera house.—Silver State.

Senator Stewart has been chosen chairman of the congressional campaign committee of the People's party. He says the strength of the party is growing daily and nothing can prevent the party from defeating each of the goldbug parties from electing a goldbug president in 1896. The party did well in placing the leadership in the congressional elections in such a competent and experienced person as Senator Stewart.

Charles N. Crittenton, sometimes called the "Millionaire Evangelist" on account of his great wealth, will commence a series of meetings in Odd Fellow's Hall Tuesday evening March 20th.

He has held meetings in many parts of Europe and Asia, and during the last few years has devoted much time to the Pacific Coast, many thousands having been converted through his influence.

Preparatory services are being held in the Methodist and Presbyterian Churches. A large chorus choir will be organized for the occasion, and a cordial invitation is extended to the people of Carson, Empire, Genoa and other places to assist in these interesting services.

### Death of Mrs. Burke.

Mrs. Mary A. Burke, mother of Mrs. D. A. Bender of this city, Mrs. M. M. Cushman of Sacramento, and Mr. Edwin R. Burke, died at the home of the latter in Shasta county, Cal., yesterday morning, aged 79 years. The funeral will be at Sacramento today.

### Piano Lessons.

Miss Sophia Jacobs who has been studying music under the instruction of Prof. F. Zech of San Francisco, is now prepared to give lessons to a limited number of pupils.

For particulars inquire at residence.

## SIGHTING SHOTS.

What do you think of Mayo's 46 with a 3?

Geo. Thaxter won \$15 for his score of 47.

The Carson team wins \$75 and two bronze trophies.

The Carson sharpshooters will return in a body tomorrow morning.

Company C of San Francisco will be up here in about three months to give Company F a return match.

The Enterprise, in mentioning the rifle match, heads it, Nevada Wins. Of course Carson, Nevada, was meant.

The Bay papers which expected to chronicle the defeat of the Carson team, are "crawfishing" in a painful manner.

The picture of the Carson team in the S. F. Chronicle is a good deal further away from a good likeness than the Carson boys were from the target and that was 200 yards.

Henry David was expected home yesterday morning, but when he did not step from the train at the depot the conclusion was reached that he had jumped off at the switch and gone over to the range.

That score made by the Battery team of Virginia, is said to have been made over a range, in doors, 65 feet long, a target reduced proportionately, ammunition likewise, and without any mental strain regarding the result.

### Arbor Day Proclamation.

For the past seven years the beautiful custom of holding an annual Spring festival for the planting of trees, both useful and ornamental, has been observed. This holiday is set apart in accordance with our Statutes and in conformity with the sentiment of the people. Therefore, I do hereby designate and appoint Friday, April 20, 1894, as Arbor Day.

I earnestly advise that the day be observed with the spirit and wisdom that the framers of the law contemplated. Let our people manifest an increased interest and lend willing hands to aid in adorning and beautifying all public parks and places, the roadways and the grounds around the home, thereby enabling transmission to our children of an heritage enriched by our efforts. I especially urge that the day be regarded in our schools with appropriate ceremonies and instruction befitting the character and purposes of the occasion.

Nothing in this proclamation shall be so construed as to make the day a legal holiday so far as courts and civil contracts are concerned.

Given under my hand and the Great Seal of the State at the City of Carson, this ninth day of March, one thousand eight hundred and ninety-four, and the Independence of the United States of America, the one hundredth and eighteenth.

ROSWELL K. COLCORD.

By the Governor:

O. H. GREY,

Secretary of State.

SLIMES SOLD.—A Chicago syndicate has purchased the slimes of the Morgan and Eureka mills on the Carson river, but the consideration could not be learned. It is proposed to work the slimes over by what is known as the leeching process, it being much cheaper than machinery. When silver could be sold for a decent price, these slimes could be worked over at the mills at a profit of a dollar or so to the ton, but at the present price of the white metal, it is impracticable.

## COAST NEWS.

M. E. Briggs, a rancher at Fallbrook, San Diego county, was found dead in his cabin.

Henry Hydorn of Mission San Jose was found dead near Irvington. He had been missing for some time.

Sailmaker Henry Boutwell of the United States Navy dropped dead from heart disease at Vallejo Saturday.

The Populists held an enthusiastic meeting at Haywards Saturday and nominated candidates for municipal offices.

At Pinole two masked robbers entered the house of Charles Dolne, shot and robbed him of his watch and \$50. They made their escape.

The Democrats in Oregon propose a fusion with the Populists. They believe in this way they can secure the Legislature and send Penoyer to the Senate.

The convict Fredericks, who is supposed to have killed Sheriff Pascoe of Nevada county, is now said to have been one of the robbers of the Angels and Milton stage.

The Utah Legislature's legal limitation expired Thursday last, but the clock was stopped at 11:20 and that body has been having recesses each night since. The present "legislative day" has passed the 100-hour mark.

Five Chinese and four Italian orange-pickers and packers, working at the ranch of Frank Bouchard at Los Nietos, across the Los Angeles river from Rivera, were driven off the ranch and out of the locality by a mob of men and boys heavily armed with guns and clubs at about 11 o'clock Friday night. They were given no chance to gather up their goods and chattels. Some were badly beaten and bruised.

### Henderson Suspended.

Justice Henderson of Empire township, has been temporarily suspended, as his bondsmen have withdrawn. Under the law Empire is now without a Justice of the Peace. His bondsmen were Jacob Klein of Carson and Billy Smith of Empire.

The reason for this can be summed up as follows: On March 2nd, notice was served on James and William Wiggins that a well owned by them was dangerous to persons and animals, and were summoned to appear before Justice Henderson in Empire and show to the Court's satisfaction that the well had been properly fenced.

It is said that the complaint was sworn to by one Langevin, who had not even seen the well.

The complaint further stated that on Messrs. Wiggins failing to appear before the Court judgment would be taken against them for \$10, together with costs and damages.

They did not appear and Justice Henderson fined them \$75 each with \$16 costs. The Wiggins Bros. are very indignant over the matter and claim that Henderson trumped up the complaint, in order to secure the Justice's fee.

This is the second time within a year that Henderson's bondsmen have forsaken him.

### St. Patrick's Dance.

James Wiggins will give a Hard Times Party on March 16th, 1894, at Wiggins' Hall, Empire. Everybody invited. Good stabling.
